

clmportInterface::valueStr

```
graph LR; A[clmportInterface::valueStr] --> B[clmportInterface::value]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'clmportInterface::valueStr'. The right box is white with a black border and contains the text 'clmportInterface::value'. A blue arrow points from the right side of the gray box to the left side of the white box.
